ASSOCIATED WOMEN FOR HARDING
1966-67 Yearbook

May 9, 1966

Dear Fellow Member - Associated Women for Harding,

I am sure you feel, as I do, that our first year has been pleasant, profitable and rewarding. I am thrilled with our accomplishments and the success of our projects. Your cooperation has been gratifying, the interest shown has been good, and I personally have enjoyed getting to know you better. As I come into office as your president, I solicit your support for the coming year. Last year's officers worked hard to plan and provide to the best advantage of every member. I want to start the second year by profiting by past experiences and making this second year another year of growth.

Perhaps there were situations which could be improved upon and with your help, this can be done. Each of you realizes, I know, the difficulties involved in planning and handling the "firsts" of anything. The first few weeks with a new baby, the first few months of marriage, to mention a few, are certainly the most trying periods of adjustment. In planning for the new year, I would like your help by having you answer the questions listed and also by having you make any other suggestions you might have.

Please check the enclosed sheet and return it to me as quickly as possible; let's say by May 22.

Thank you -- and I am looking forward to a good year with all of you.

Sincerely yours,

Mary Formby

Mary Formby, President

AWH Gift Fair to offer wide array of articles

Extensive plans for the Associated Women for Harding's second annual gift fair were announced today by Mrs. J. E. Pryor, general chairman for the event. The Fair will open at 12 noon on Friday, December 2 in the Trophy Room of the American Heritage Building and will remain open until 8:30 Friday night. Saturday, December 3 the show will be open from 9 a.m. to 12 noon.

The wide array of gifts will be placed on tables in the Trophy Room and will be arranged so that a large number of guests may browse at one time. The gifts have been planned to include many novelty items for remembrance gifts and also custom-designed personal gifts.

A refreshment bar will be provided in the lobby of the American Heritage building where tables and chairs will be available for customers. Coffee and pastries will be served at the snack bar.

Mrs. Pryor said that all entrances to the building will be open during the Fair and that parking space was available at the back of the building.

The Second Annual Gift Fair will incorporate the talents of almost 200 Searcy women who have been preparing the gifts for many months.

Baked goods to be offered at AWH Gift Fair

Directing and planning work of 160 women in preparation for the Associated Women for Harding's Gift Fair December 2-3 has proved to be almost a full-time job, Mrs. J. E. Pryor, general chairman for the Fair, admitted today. Preparation has been underway for many weeks as the members have chosen various projects, for the event.

"Cooperation has been so fine that it makes the work a pleasure," the chairman said, "and getting materials to members, checking with different members as to what to make, and

all the numerous details that have to be taken care of have simply increased my enthusiasm and I can hardly wait for all the gifts to be assembled. Items ranging from economy priced novelty toys to ornate sequined and jeweled center pieces and wall hangings will be included in the selection of gifts to be displayed by the Searcy chapter of AWH. A sale of baked goods will also be included."

Last year's Fair was the first attempted by the Association which was then newly organized. The women worked by chance as to what items to make for the sale. "We were hampered by not knowing how many of each thing to make or really just what to make," Mrs. Pryor remembered, adding, "We were so overwhelmed with

the way our gifts sold that we began making plans immediately for this year's sale." Some members have made a gift each month throughout the year to contribute to the sale, she said.

All proceeds from the sale will be used for projects for Harding College.

Dear Fellow Member - Associated Women for Harding,

Haven't our two years working together been most pleasant and rewarding? I am so pleased with the accomplishments and success of our several projects - the Gift Fair, rummage sales, style show, Betty Crocker coupons and Gold Bond Stamps. Your cooperation has been excellent. I personally have enjoyed getting to know you better and working with you on the Gift Fair. It was a most pleasant task for me. As I come into office as your president, it is with mixed emotions - I didn't know I knew how to do anything except a Gift Fair. I do accept this position but as a challenge and I really need your support for the coming year. Last year's officers did such a good job planning and providing to the best advantage of every member. I want to gain from their experiences and make this third year another year of pleasant, profitable and rewarding growth.

Perhaps there are changes or improvements we could make in our efforts for Christian Education and with your help, this can be done. Even though this is the third year for this organization, we must not take for granted that we are well on our feet. In planning for the new year I would like for you to answer a questionnaire I have prepared and if you have any suggestions or comments, please write those down.

Please check the attached sheet and return it to me as you leave.

Thank you - and I am looking forward to a good year with all of you.

Sincerely,

Bessie Mae Pryor

DEPARTMENT OF HOME ECONOMICS

Associated Women for Harding
Mrs. Mary Fernby, President

Dear Associated Women for Harding:

The girls at Echo Haven, as representatives of the Home Economics Department, would like to express our grateful appreciation for the new Westinghouse Frost-free Refrigerator-freezer. Since the freezing compartment is separate from the refrigerator section, our kitchen now runs much more efficiently. We are deeply indebted to the Associated Women for Harding for the time, effort, and patience in collecting the stamp books with which the refrigerator was obtained.

We want to express our appreciation for the many projects which the Associated Women for Harding have contributed to Harding.

Dr. Mildred Bell and the other Home Economics faculty members, plus the 138 Home Economics majors who will be using the refrigerator invite each one of you to come by Echo Haven to see it.

We thank you very, very much,

Dr. Mildred Bell

NEW AWH ADDITION—Dr. Mildred Bell, left, chairman of Harding's Home Economics Department, shows the school's new refrigerator-freezer to Mrs. J. E. Pryor, Mrs. T. A. Formby and Mrs. Lott Tucker Jr. The appliance was a gift from all chapters of Associated Women for Harding through the Gold Bond Stamp Company. Women from the 12 chapters collected and donated stamps for the new equipment.

SEPTEMBER NEWSLETTER

ASSOCIATED WOMEN FOR HARDING

A MESSAGE FROM THE PRESIDENT...

Dear Associated,

It is with a great deal of enthusiasm that we begin our second year of work as Associated Women for Harding, not that the summer has been idly spent. After such an unbelievable beginning year, I felt that we were ready to move ahead and my thinking has been borne out in the wonderful response I have had in the selection of committee chairmen and workers. We simply have not had anyone to refuse an appointment -- as busy as everyone is in Searcy, that is quite remarkable.

We begin our second year with 148 members. I would like to encourage each one of you to have membership constantly in mind. We have an enthusiastic Membership Committee and they have set some goals for themselves but wouldn't it be wonderful if each one of us could sign up one new member this year? You can reach a friend with the story of AWH much more effectively than a casual acquaintance can and just think what 300 members in Searcy could do for Harding!

And, that brings me to dues. Let's all strive to keep our dues up to date. That is a way we can help for every bit does count. As I have said before, we need your membership -- we need your dues -- but we also need YOU. We would like to encourage more participation. We want to involve more people in the work of AWH but if you can't actively participate, do keep your membership dues up.

I sincerely solicit your suggestions, your support and your cooperation.

Sincerely,

Mary Formby

NEWSLETTER: ASSOCIATED WOMEN FOR HARDING
October 1966

It's meeting time again--Monday, October 10--and this month we are in for a treat. We have been invited to the home of MRS. ERNEST FORBES in Bald Knob for the meeting and also for pot luck salad supper.

There are several details to notice. You will be phoned, but please consider these points now.

Mrs. Forbes and her daughter, Mrs. George Alcott, who is a member of AWH, have begun a large number of items for our Gift Fair in December. AWH members can assist in completing these during a workshop hour prior to the supper and business meeting. There will be something for all to do.

Plan to be at the Forbes home at 4 p.m. to work. Bring any sequins, metallic braid, lace, ribbon or anything you have which could be used on fancying up felt and other materials. THERE WILL BE USES FOR BEADING NEEDLES AND CROCHET HOOKS.

A tour of the lovely Forbes home will also be a part of the meeting. This you won't want to miss.

At 5:30 the meal will be served followed by a short business meeting.

NOW -- PLEASE HELP THE HOSTESSES BY CONSIDERING THE FOLLOWING POINTS AND COOPERATING TOWARD MAKING THIS AN ENJOYABLE EVENING.

1. Bring a dessert or a salad--either meat, vegetable or fruit--to serve six.
2. Be prepared to give definite commitment on attendance when you are phoned. Marguerite O'Banion or Betty Ulrey must know by Friday noon the number planning to attend so the hostesses can plan toward drinks, etc.
3. Drive in groups as parking space is limited and the fewer cars involved the better.

GOLD BOND REPORT

Our new project is going well with 6,480 points amassed by the Searcy chapter. We only need 58,000 for the new refrigerator for the home ec department.

ASSOCIATED WOMEN FOR HARDING

TO SEARCY MEMBERS:

It's meeting time again. And it's almost Gift Fair time. And time is running short for both.

For the November meeting, which is the 14th at 7:30 p.m., we will have a workshop in the Trophy Room of the American Heritage Building. Bessie Mae Pryor has been having work parties each week, and I know that many have been preparing things, but this meeting will be for all of us.

Please plan to attend. Bring anything you have started--someone will help you finish them. You might want to bring some finished products for the rest of us to see and plan to make. If you haven't started anything of your own, then come and help someone else. Some members have gifts started which you can help finish.

Bessie Mae has suggested that each one bring GLUE, SCISSORS, AND NEEDLE. There will be a need for the following:

Artificial flowers
Sequins
Felt scraps
Velveteen scraps
Ball fringe
Ribbons

Jewelry
Artificial Holly and greenery
Pine cones
Tree ornaments
Bells
Old Christmas cards

Also each member is asked to save paper bags and gift boxes for the Gift Fair. These will be needed to package ~~the~~ items sold.

AND A WORD ABOUT THE FOOD:

If you haven't made any gifts you will want to bake for the food sales. These items are popular, especially with the college students. Candy and brownies are very popular. Wrap your food in plastic or foil for the sale.

THE GIFT FAIR WILL OPEN AT NOON ON DECEMBER 2 AND WILL REMAIN OPEN UNTIL 8:30 P.M. ON SATURDAY THE HOURS WILL BE FROM 9 A.M. TO 12 NOON. MARK YOUR CALENDAR NOW.

EACH MEMBER WILL BE INTERESTED IN THIS:

Ruby Jo Hughes and Ruby Eubanks have done us a favor: They have indexed the cookbook and the second printing has the index enclosed. However, for all of us who bought from the first printing, Herman West has printed some extra indexes and Gertrude Dykes has agreed to insert them for us.

All members who bring their books to the meeting Monday, Nov. 14, will get the indexes placed. Gertrude has a special machine to do this. There will be no cost. So take advantage of this as this will be the only opportunity.

OCTOBER MEETING A DELIGHT

Sixty members from Searcy chapter enjoyed a delightful meeting in October at the home of Mrs. Ernest Forbes in Bald Knob with June Alcott as co-hostess. The tour of this lovely home would have ~~made~~ a fine meeting itself. But we also had an opportunity to work on gift fair items because Mrs. Forbes and Mrs. Alcott had many gifts from members to complete. Then a delicious salad supper was a treat, too. It would have been so fine for every member to have been here.

Arrangements for the meeting were made by Marguerite O'Banion, chairman, and Inez Pikkens, Dot Beck, Eloise Muncy, and Verla Davis.

Our appreciation goes to all who helped made the meeting so successful.

Three new members, Joan Hacker, Nancy Walker, and Ester Spurlock, were also introduced.

'ASSOCIATES' WORK DATES TO 1930's; CHRISTIAN EDUCATION PROMOTER REMEMBERS

Soon after the Association's report appeared in the Harding Bulletin, a letter was received from Mrs. J. P. Mattox of Oklahoma City. The interesting note is printed for your enjoyment.

Mrs. Mattox has a son who is president of a Christian College (F.W. Mattox, Lubbock Christian) and a son-in-law who is president of another (M. Norvel Young, Pepperdine College). The Oklahoma Christian College Stepping Stones recently dedicated a new cookbook to her. She is a remarkable woman.

The letter stated:

"You are doing many things and doing them well!

"As I noted your accomplishments and visualized the beautiful buildings with the newest comforts and the great student body who takes advantage of all this, I thought of the very first gift to Harding by women in Oklahoma City! It was Lectureship and Homecoming week and because our Fount William was in Harding in Morrilton we made the long trip over narrow rough roads in about 14 hours. The small sparsely furnished girls dormitory with its large reception room was a happy place on "date nights" with boys and girls--many of them sitting on the floor! They didn't seem to mind but I did.

"When I came home as vividly as I could I described this to the large Ladies Bible Class I taught. As a result we bought a long sturdy loos-cushion divan and made two dozen big fat round pillows--inner stuffed with excelsior with cotton overlay and heavy tapestry covers!

"Mrs. R. C. Moss, Dr. Sallie Smith and I, with children in Morrilton, had the responsibility with many helping hands and necessary donations of materials.

"Our reward came when Bro. (J. N.) Armstrong wrote a thank-you note. So far as I know this is the first of "Women's work for Christian Education" which today is a great help in each Christian College.

"I was present at organizational meetings at Oklahoma Christian, Lubbock Christian and Pepperdine Colleges.

"The talented women who have served in PTA and Woman's clubs are glad to find their skills and time needed in helping Christian education in a special way. But the greatest value is in fellowship of Christian women at the small and large meetings. There is a special joy in coming together! A closeness in working together with a common and worthwhile goal is most satisfying.

"God bless you and yours

(signed) Irene Y. Mattox"

LECTURESHIP COFFEE PROVED FUN

The Coffee Hour held during the Harding Thanksgiving Lectureship attracted a chattering group of more than 60 women--many members of AWH chapters and many visitors interested in the organization. The hostesses did an excellent job of making the arrangements. These included Mrs. O. J. Young, Mrs. Joe Taylor Jr., Mrs. Elzie Jenkins and Mrs. Lawrence Martin.

GOLD BOND STAMP PROJECT REPORT
from Roberta Atkinson

We're over half way to achieving a new refrigerator-freezer for the College. At this time 30,390 points have been turned in toward our goal of 58,000 points. Contributions to the project have come from Ft. Smith, Hot Springs, Little Rock and Searcy chapters. Searcy deserves credit for the most points donated. I'm sure there are many others who have not reported, waiting until they have full books, etc.

Let's make a concentrated effort to fill those books and have the project completed before our annual meeting in April. Send all your books, full or not, to me by April 1. Remember that each newspaper mention is worth 100 points.

Roberta Atkinson

AN AMENDMENT: North Louisiana chapter in Monroe has sent 7,000 more points so that brings the total to 37,000. Now let's figure a bit: We lack 21,000 points. That's 30 books of stamps. We have 650 members. Surely 30 of us can find a book. Or 60, half a book?

The school year is progressing rapidly and it would be well if we could get this project completed soon. Let's make an effort to collect the stamps before the next report to the Gold Bond company on April 1.

Remember there are several ways to get points. A mention in the paper and certificates worth 10 points each when you redeem a book for yourself. Ask for them when you redeem your books.

ANOTHER IDEA FOR CONSIDERATION

The Searcy chapter has voted to start collecting General Mills coupons--- the ones in Gold Medal Flour, All Big G cereals, any Betty Crocker products, etc. So many of us toss these aside, but collectively their benefits can help Harding College.

Ruth Atteberry has volunteered as chairman of the coupon project for Searcy and will receive any coupons you have. Bring them to the meeting Feb. 14.

If other chapters care to join the effort it would be fine. Perhaps you would like a project of your own, or perhaps (some chapters being limited in number of members) you would like to add your coupons to Searcy's collection. Either is great. But remember to save any General Mills product coupons.

START PLANNING FOR THE GENERAL MEETING ON THE HARDING CAMPUS APRIL 24.

NEWSLETTER
ASSOCIATED WOMEN FOR HARDING
APRIL 1967

To All Associates,

There's big news this month: Our general meeting is set for April 24. And we have big plans for a great day together.

The South Arkansas (El Dorado) chapter will be in charge of the meeting which will begin at 10 o'clock, Monday, April 24, in the Small Auditorium of the Administration building.

President Ganus will speak, you will hear from some of the students, and each president will have opportunity to make a brief report of her group's activities.

We will be dismissed in time for lunch--dutch treat--in the Heritage Cafeteria. We have been asked to go through the line promptly at 12 noon because there are some other groups scheduled before and after that time.

After lunch we will have six workshops: Presidents, Vice Presidents and Hospitality chairman, Reporters, Historians, and Projects chairmen will meet together. All of the meetings will be open, but everyone is urged to attend one of the workshops. These proved to be quite successful last year.

The meeting will conclude early so that those having a long distance to drive may get started.

Please make plans to attend. It is always so much fun to get together. It is inspirational to see what others are doing. We get many new and fresh ideas and of course it is always good to make new friends.

Harding's campus is at its peak in beauty this month. Besides the beauty of nature, it is thrilling to see happy young people enjoying their work. Don't miss being here April 24.

GOLD BOND STAMP DRIVE A GREAT SUCCESS

Through the generosity of many people a sufficient number of GOLD BOND stamps have been collected to get the refrigerator-freezer for the home economics department. There will be more details about this, but in the mean time, continue to collect and save your stamps for there are many ways to use them and many things which we can obtain for the school.

By the way, one of the 135 home ec majors here this year was elected president of the Arkansas Home Economics Association for 1967-68. She is Miss Linda Dismuke, a junior from Lonoke.
